Clever and Quick on our feet in Federation

Dear Club Members and friends,

Summer is upon us and the club moves into our Summer Bunch phase of fun and frolic. It's also a time for wearing our club shirts and talking to new prospective members as we get together.

I want to personally thank each and everyone that bought a pink bracelet or came to the relay and walked the field or helped design, decorate or get ready for the ACS Relay for Life. It took many hours of hard work to prepare for the relay and in the end it was all worth it to see it run so smooth. Thanks to all the ladies and gentlemen that helped with the food booth and the tent at the event also. I think it was a good time to be had by all.

I would like to ask all of you to please get a donation or gift certificate from anywhere during the summer months to bring to our September meeting. If we all bring one item to the meeting it should make a real nice basket . We will have raffle tickets that you can sell from September to our December meeting where we will draw the winning ticket. Our goal is to make \$500.00 which will be donated to a breast cancer project. This will be the last fundraiser during my presidency. Since we decided to not have our Bunco fundraiser we are behind in our fundraising projects so let's all make the last one a good one.

It was brought up at our last meeting that there is a possibility of having another tea table added to our High Tea Party at some point. If you come across any dishes, tablecloths napkins, etc. over the summer at a garage sale or antique store that you would like to donate to the club please call Cheri @ 619 579-7848. She will be collecting and organizing them for Mary.

I was at Cheri's home when a van came to pick up six big trash bags of donated towels for the veterans to use. They were very grateful and said thanks for all we donated to them.

In closing I hope you all have a happy and fun filled summer.

Hugs to all of you,

Linda

Suzie Rodriguez is on chemotherapy during the summer and will have surgery in September if all goes well. We wish her a speedy recovery.

Mary Gabaldon's son-in-law Robert will try a new form of treatment in L.A. Our thoughts and prayers are with them.
