Mooo-ving” Into The Future Through Federation

PRESIDENT'S LETTER:

Dear Ladies,

We had a very successful Tea (thanks to the hard working Chairmen and their committee) and it ended with a BIG Bank! I had an accident with George's El Camino. I tried to move the car closer to load tables, etc. and the car took on a mind of it's own and took off backward at a great speed and I couldn't stop it with braking. I saved a car parked on the street and chose to take down a dumpster and the fence behind it! No one was hurt except the El Camino!

Barbara was ready with her camera, but chose to not humiliate me further! George is considering his wisdom in renewing our marriage contract for another year!

Tressie and I delivered Easter Baskets to nine lovely ladies at the Rest Home. It's a lovely, well-kept home with nice gardens. We had enough candy and baskets left over and they will be delivered to the Women's Shelter. Keep your eyes open for after-Easter sales on baskets for next year.

We look forward to the District Convention. It's not too late to join in on the fun.
