

Dear Local Businesses,

The Bostonia Woman's Club is in the process of collecting gift certificates for our annual fundraising basket. Last year we sold over 250 tickets and were able to raise over \$400 for Bostonia Elementary School. We provided the students with supplies for art and writing projects and gave scholarships to struggling students by honoring the most improved.

This year we are hoping to raise \$500 to contribute to our breast cancer projects. We want to increase breast cancer awareness and help local breast cancer patients.

To be included in this year's fundraiser we must receive your donation by August 1st, 2009. If you wish, you may mail it to us at the address below or call us and we can make arrangements to pick it up. The drawing will be held at our regular business meeting, December 2nd 2009.

Once all of the gift certificates are collected we will create marketing pieces used to sell tickets for an opportunity to win the basket. Your business name and a description of the gift certificate will be listed as well as a photograph of the completed basket. Since Bostonia Woman's Club is a 501 (c)(3) organization a donation receipt can be issued on request for tax purposes.

Thank you in advance for your support. If you have any questions you may contact our Fundraising Chairman, Mary at (619) 588-6866. If you would like more information about the Bostonia Woman's Club you may visit our website at www.bostoniawc.org or call our President, Linda Cowle, at (619) 938-1623 or at linda@bostoniawc.org.

Sincerely,

Bostonia Woman's Club
