## Looking Beyond the Horizon

Happy Halloween Month. The decorations for this month were so nice thanks to Suzie and Linda.

We had a great meeting covering a change in the bylaws and voting on our new slate of officers. We also voted to give the Pregnancy Care Center \$100. I know they will be very thankful for the check and it is such a good cause. Thanks ladies.

Also Brenda Gill is going to look into getting two families from the Center for Community Solutions for Thanksgiving and Christmas dinners. I know last year our families who received our dinners and gifts were very thankful.

Everything is moving along very nicely thanks for all of your hard work. The cookbook sales have slowed a little, but the basket is going full swing. We will have another chance for the cookbooks at the November District Meeting. My sister is going to take some to sell at her Club's garage sale. Remember Christmas is coming and they would make a nice gift.

Everyone have a safe October and I will see you all in November.

Barbara
